1. In a recent telecon to me, ☐ of your Staff expressed a need to provide you general information on airborne reconnaissance programs. It is my understanding that the particular need has been accommodated. ☐

2. However, for your consideration, an in-depth briefing on these programs can be easily arranged. The briefing would cover the aircraft, routes and missions of the Peacetime Aerial Reconnaissance Program (PARPRO), and the procedures by which the missions are coordinated, approved and monitored at the national level. The Joint Reconnaissance Center (JRC) of the Joint Chiefs of Staff at the Pentagon would make the presentation. Preferably the briefing would be done at the JRC or, if you prefer, they could brief you at Headquarters. If you are interested in receiving the JRC briefing, please have ☐ contact ☐ of my Staff ☐
